INTRODUCTION

This election is taking place on a non-established election date, and is being conducted primarily with permanent ROV staff. SB 50, which took affect January 1,1999, allowed school districts to place a bond measure on the ballot on “any Tuesday”. The ROV is required by law to conduct school elections, and the district insisted on this date. Costs to conduct the election are reimbursed by the school district(s).

SUMMARY OF ELECTION PROCESS

Election Systems & Software. Ballots are long stubs, round holes for absentee and rectangular holes for polls. Color = Blue; Design = Capitol Dome. There were no 60-Day military/overseas voters for this election.

Establishing Polling Places/Polls Publication – 4 polling places. Owner receives \$50. Three polling places were donated free of charge. There are no double polls. The listing of polling places and poll workers will be published on April 28th in the Inland Valley Daily Bulletin.

Polling Place Supplies – PollStar system – 24 booths and voting devices, plus four booths for disabled. All supplies were distributed at training classes on May 3rd -. Due to the size of this election, rosters and indexes were printed the day before distribution, which permitted the computer to designate absentees and include late but eligible voters – thus eliminating a second mailing to Inspectors.

Recruiting and Training Poll Workers – There will be three poll workers at each of the four polling places. Eight poll workers were recruited. The other four are Troubleshooters or members of ROV staff who are working at the polls as part of a training exercise. Inspectors earn \$100 and clerks earn \$65 plus additional \$15 for attending Inspector training class. Training was conducted at the Registrar of Voters office.

Student Poll Workers – None.

Election Day/Night Assistance to Poll Workers – There are no Troubleshooters because three of the polling places will have a Registrar of Voters staff member present. There are 2 operators staffing the Inspector Hotline.

Voting by Mail/absentee – Applications to receive a mailed absentee ballot are accepted through May 1st. From May 2nd through election day, voters may vote an emergency ballot, which requires pick up at the ROV and hand delivery to a polling place or to the ROV office before the polls close. No early voting (Saturday) was conducted for this election. The “Citizens for Mountain View Schools” group conduct an absentee campaign using their own application.

Assistance to the Public – Information on the election, results, absentee applications, and polls look up is on the Internet at: <http://www.sbcrov.com>. The automated phone system has been updated for polling place locations. No additional staffing is required. No Microfiche of polling place locations will be produced for this election.

Election Night Ballot/Supply Retrieval- Absentee ballots received by 8:00 p.m. on election day at the Redlands (main) post office, will be picked up by ROV staff shortly after polls close, for processing during canvass. There will be 1 collection center staffed by 2 workers. There will be no early returns. No assistance is required from the Sheriff's department. Communication will be by pager and cellular phone (ours).

Ballot Counting Locations – All ballots will be counted at ROV office.

Student Volunteer Workers – There are no student volunteers at the tally center for this election.

How Ballots are Counted – Ballots will be counted on one PC system using two cardreaders. However, the second system will be tested and ready in the event of problems. An Observer Panel (2 members of Grand Jury) will observe Logic and Accuracy test at approximately 7:30 p.m. and absentee cards will be processed immediately following tests. When all ballots have been counted election night, the Observer Panel will then witness a final Logic and Accuracy test on the ROV system. The number of outstanding ballots (absentee and provisionals turned in at polls) will be given out on final bulletin.

Availability of Election Results – there will be no sampling of turnout during the day and there are no Key Precincts. Election result bulletins will be printed and distributed following each portion of the count and also updated on the Internet. Results will be available by phone up until 15 minutes after final bulletin.

Additional Ballot Counting – no add on counts will be conducted for this election due to the size. Any additional ballots will be processed during the normal canvass procedure.

Certifying the Election - When the canvass is complete the official results will be prepared, certified and sent to the San Bernardino County Superintendent of Schools. This will take place on May 11, 2001. The Statement of Results and Voting History will be available this same day.

What it Takes to Win – This bond measure require a two-thirds vote.

Dispute of Election Results – Requests for recount may be submitted within five days after the completion of the official canvass. Requestor must pay estimated cost of recount in advance. The California Elections Code outlines the process for filing an election contest. Filing deadlines vary.

4 Election Results Information Sheet

2.1 When and Where Are Results Available?

Results are available at the Registrar of Voters office in San Bernardino.

Results are also available on the Internet at:
<http://www.sbcrov.com>

The first Summary Report will be released shortly after 8:00 p.m. This report will contain absentee/mail ballot results **only**. The voting precinct totals will be added to the absentee/mail ballot totals as soon as they arrive at the counting site.

2.2 Explanation of Bulletin Format

- A. Reports are sequentially numbered. Date and time appear in the upper right-hand corner.
- B. Reports will contain votes cast within San Bernardino County.
- C. District name appears only when a contest is counted by a specific district (not County or statewide).
- D. (#/PCT ____) = Number of voting precincts for this election/race. (This number does not change.)
- E. (#/RPT ____) = Number of precincts reporting at time report was created. This number will increase as precincts are counted.
- F. (%/RP) = Percentage of precincts that have reported at time report was created. (This number will increase as precincts are counted - up to 100%.)
- G. Measures always list results with "Yes" first. **Note: If a measure requires more than a majority vote, "2/3" appears next to the measure.**
- H. The number of votes received along with the percentage of all the votes cast for that measure appears to the right of each yes + no.

Registration/Turnout

The last *semi-official report* election night will contain pages of statistics showing registration/turnout numbers and percentage. Turnout represents the ballots cast.

NOTE: There is a difference between ballots cast and votes cast. A voter may undervote his/her ballot (i.e. skip any of the races/measures) or may overvote (i.e. vote for the YES and NO on a measure) which voids the vote cast on that one measure alone.)

Absentee Totals

San Bernardino County counts absentee totals by precinct so that it is possible to see how all voters in a precinct voted. This level of detail is available only on the Statement of Votes Cast.

2.3 When Will the Count Be Completed?

The count will be finished Election night -- after all precincts report. However, the count is not considered complete until the election is certified following the canvass.

2.4 Availability of Election Results

Official Summary results and individual precinct results will be available the day the election is certified. The election is scheduled for certification on May 11, 2001.

2.5 What is the Official Canvass?

State law requires an official canvass (audit of the election). This entails numerous manual processes that verify the accuracy of the computer count, including a hand tally of ballots cast in 1% of the precincts. When complete, election results are certified to the various jurisdictions, which then declare the winners.

2.6 Election Definitions

- **NPP** - No polling place was assigned because there were fewer than 250 registered voters. These voters are "declared" absentees.
- **Requested AV** - Voters who choose to vote by absentee/mail ballot instead of going to the polls.
- **Provisional Ballot** - Voted at polls when a voter's registration is in question. These ballots are sealed in an envelope for later verification at Registrar's office.
- **Write-in Ballot** - When a voter chooses to manually write-in a vote for a candidate(s) not printed on the ballot. The entire ballot is set aside to be counted after the validity of the write-in vote is determined.
- **Unofficial Results/Semi-official** - All election results issued prior to completion of the official canvass.
- **Official Results** - Final election tabulation is issued after completion of the official canvass and the Registrar of Voters certifies results.

Official Canvass - A detailed audit of the election. The law allows 28 days to complete this process.
